School Bus

Dear parents,

To improve the safety and environmental impact of travelling to school, one of our long term aims has been to be able to offer parents who wish to send their children on the school bus the chance to do so. We now have 29 children who travel to and from school using this mode of transport which is fantastic.

However, due to the number of after school activities that we offer and the large number of children using this service, the logistics of ensuring that we have the correct number of children on the bus at the end of the school day can be a little tricky. Relying on what the children think they should be doing and what the bus drivers think should be happening has, on the rare occasion, proven unreliable. Thankfully no children have been sent home on the bus when they shouldn't have been but we want to put measures in place to safeguard against this happening. It will now be assumed that all children who use the bus will be going home on the bus except when;

- They are signed up for a club at school
- We receive a written note/letter or an email confirming that they are to be collected by their parent/another parent on any particular day (emails to be sent to admin@bickerton.cheshire.sch.uk)

Thank you for your assistance in keeping our children safe.

Yours sincerely

Stella Tudor
Deputy Head
