Find Their Happy Place

**Is your school looking to offer wraparound care or holiday solutions for working parents and carers? KidSpace can help!**

**Founded in Malpas in 2019, we are an enthusiastic team of experienced childcare and teaching professionals who can manage aftercare within your school.**

# Our Ethos

## Child-led downtime

**At KidSpace we believe that every child deserves a safe, joyful space to grow, explore and shine. Through laughter, creativity and friendship, we create a welcoming environment where fun leads the way and happiness is at the heart of everything we do! Our recent Ofsted inspection (February 2025) was overwhelmingly positive; KidSpace was commended for being caring and supportive, modelling polite, playful behaviour and creating a harmonious atmosphere.**
